

# TOPGUN 32 CFM COMPRESSOR

THREE PHASE, BELT DRIVEN, 160L TANK AIR COMPRESSOR

COTB75160E

7.3

**Big on air!**

High quality components are used in the manufacturing of all TOPGUN compressor products. Durable steel construction, a big 160 litre tank and well proven pump design make this 415v three phase a necessity in any workshop.

## STANDARD FEATURES

Three Phase Motor  
Solid Construction  
Ball Valve Connection  
Safety Valve  
Tank & Output Pressure Gauges  
Pressure Switch  
Forklift Pickup  
Dual Output

## SPECIFICATIONS

Input Voltage (V)	415 A/C
Frequency (Hz)	50 Hz
Power	7.5Hp
RPM	900
Displacement	813L/min
Tank Capacity	160L
Max Pressure	115PSI
Net Weight	249kg
Packing Dimension	1360x500x1050
