

# TOPGUN i-ARC 180

180A INVERTER ARC / TIG  
TGWA180

1.1

2 YEAR WARRANTY

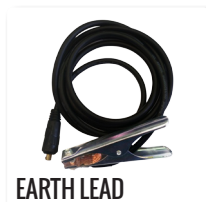

High quality components are used in the manufacturing of all TOPGUN welding products. German manufactured INFINEON IGBT, USA made IXYS Diodes & Honeywell Current Sensors ensure each and every weld performed yields high quality results.

## PACKAGE INCLUDES

Users Manual  
3 MTR Earth Lead  
3 MTR Electrode Holder  
Shoulder Carry Strap  
Hard Case

Optional - Tig 17 Handpiece 4 Metre 10-25  
(Part no. TGT17V425)  
Regulator

Fitted 1 Phase 15A Plug  
**INCLUDED**

EARTH LEAD

ELECTRODE HOLDER

**OPTIONAL**

TIG 17 TORCH

REGULATOR

## SPECIFICATIONS

Input Voltage (V)	240 A/C
Frequency (Hz)	50 Hz
Output Current Range (A)	20-180 A
Rated Duty Cycle (%)	35% @ 180A 60% @ 140A 100% @ 110A
Net Weight	9.7 Kg
Packing Dimension(mm)	450x400x140
